

PARADISE

LIVIN' A LIE

LIVIN' in a DREAM

Livin' in a fantasy

Tell me what you mean

WHEN YOU SAY I HAVE TO LEAVE

You say it isn't much

But I give you **all** I've got

*Every **single** day*

Every breath I give away

Something's **fallen** apart **between us**

We **used to** be 'bout whatever trust was

Lies, damn lies everywhere that I turn

I **THINK** IT'S TIME I LET THIS **MOTHER BURN**

Are we just livin' a **lie**?

*Knockin' on the **door** to Paradise*

Don't you just wish you could **die**?

Knock in' on the door to Paradise

LIVIN' A LIE

BEEN TELLIN' ALL YOUR *FRIENDS*

And everyone who's there

*How **wrong** you **think** I am*

*And how I **never** care*

Something's fallen apart between us

We used to be 'bout whatever trust was

Lies, **damn lies** everywhere that I turn

I think it's *time* I let this *mother* burn

ARE WE JUST LIVIN' A LIE?

Knockin' on the door to *Paradise*

DON'T YOU JUST WISH YOU COULD DIE?

Knockin' on the door to Paradise

Are we just livin' a lie?

Knockin' on the *door* to *Paradise*

DON'T YOU JUST WISH YOU COULD DIE?

Knockin' on the door to *Paradise*

EPIC SOLO

Are we just livin' a lie?

Knockin' on the door to *Paradise*

DON'T YOU JUST WISH YOU COULD DIE?

Knockin' on the door to *Paradise*

Are we just livin' a lie?

Knockin' on the *door* to *Paradise*

Don't you just wish you could die?

KNOCKIN' ON THE DOOR TO PARADISE
