

Runaways

lights *on* **US**

we're *leaving for* the *SKIES* BECAUSE

The world got small

it's time TO *break* **THE** fourth **WALL**

everybody's running AROUND, **PICKING** UP **the** *PIECES now*

Too **LATE**, IS **it** too *late?*

heading for **AN ATOM bomb**, *will HE push a* **BUTTON** **now**

Too **LATE**, *is it* **too** *late?*

will **YOU** join our *expedition?*

TRAVEL TO A **WORLD** OF *NEW* *traditions*

stare into the **EYES** of a *FATE unknown*

Every place will BE *A* **DANGER zone**

we ARE the runaways

hitching A ride to **a** *NEW place*

We are the *runaways*

pilgrims lost in time and space

We're **RUNNING** away *with the hope* that **WE had**

WE'RE TAKING A chance *and* **THE** good **WITH** the **bad**

TRUTH is always in **OUR HANDS**

IT'S TIME TO make *that* final **stand**

breathing in

A **NEW PLACE** that **WE NEVER seen**

IT'S just **LIKE home**

APART from **ALL** the *GOOD THAT'S* *gone*

living like A *refugee*, **LIFE AIN'T all** *it's meant to be*

Too **LATE**, *is it* **TOO late?**

Watching **all the** stars **above**, *missing what WE used TO* **love**

TOO late, is IT TOO late?

climbing to the **TOP** of *AN* endless **MOUNTAIN**

EVERYTHING YOU KNOW **WILL be forgotten**

JOURNEY to the **END of time** *ITSELF*

IN *search* **OF** the **DOOR TO an** **ENDLESS realm**

WE *ARE the* RUNAWAYS

HITCHING *A ride to a NEW* PLACE

We **are** the runaways

PILGRIMS lost **in** *time and space*

We're RUNNING away *WITH the* **HOPE that** *we had*

WE'RE **TAKING** *a* **CHANCE** and **THE GOOD** *with THE bad*

THE truth **is ALWAYS in our** *hands*

it's *time* to *make that* **final stand**

remember *the* **WORLD we made**

And HOW *we DANCED the night* **away**

We'll dance **again** *SOMEDAY*

something *AS strong is here* **TO STAY**

WE'RE running **away with THE HOPE that** *we had*

WE'RE *taking a* **chance and the good** *with the bad*

THE truth *is always in OUR* **hands**

IT'S TIME TO *make that* **final stand**
