

Running
this *is a town*
BUILT *by these hands*
in THIS WORLD *that* we live *in*
AND hope *is all we* end *up* *giving*
running away *from* all WE'VE got
JUST to be alone
searching FOR a different *shelter*
WE can CALL HOME
throwing it all away today
Leave IT all behind
hoping for A brand NEW start
A different *state of* mind
WE WILL be fine
Here in our town
AND our life WILL be BETTER
AND TIME is all we NEED TO *GET* there
RUNNING AWAY *from* ALL WE'VE got
Just to BE ALONE
Searching for A DIFFERENT *shelter*
we CAN CALL home
Throwing IT all AWAY today

LEAVE IT *all* behind
Hoping FOR a **BRAND new** start
A **different** *state* OF *mind*
i *was* looking
FOR LIFE to *BE* *free*
waiting for
a **DIFFERENT** *side* **OF** *ME*
RUNNING **away** *from* **ALL** we've *got*
JUST to *be* *alone*
searching FOR a **different** *shelter*
WE *can* *call* *home*
Throwing **IT ALL** *away today*
leave it all **BEHIND**
hoping FOR A **BRAND new** START
a *different* **STATE** **OF** **MIND**
We *will* **be** *fine*
here in **our** *town*
