

THE WOLVES

You're so *much* **MORE** **than** *your flaws*
If *you* open **THE** *door*
To the world that **you** *USED* to **love** *AND adore*
Now **YOU'RE** caught in a web OF **DESTRUCTION** and *hate*
No ONE *there,* you don't **CARE** **AND** *you* **JUST HAVE TO** *wait*
Sinking down **INTO THE** *ground*
And HOPING for **SOME** release *from* the *pain*
Shine **your** *light* in *A world* **FULL** of *hate*
THE **BEACONS** *are* *lit* and the **HOUR** is *LATE*
THERE'S A *war* going **on** and **YOU'RE** *in* the *fray*
You *rise* above **AND you** *seize* this **day**
All THESE *MOMENTS* pass and **ARE** *gone* in **a** flash
There's A WAR going *on* IN *your mind* **AND your** *soul*
IN the *BLINK* of **AN** *eye* *you've* played YOUR **ROLE**
ISN'T it **time** to believe in **A** *LIFE* **AND to** *cope?*
maybe **find** something *out there* **THAT'S** *worthy* of **hope**
But **YOU'RE** *caught* *IN* **A** web *OF* **destruction** and *hate*
No one *there,* you **DON'T** *CARE* and *you* just have **TO** *WAIT*
SINKING down **into** *the* *ground*
AND hoping for some *release* **FROM** *the* *pain*
shine *your* *light* in *a* **WORLD FULL** of *hate*
The *beacons* *are* **lit** and the *hour* is *late*
There's **a** *war* going on **AND** *you're* **IN THE** **FRAY**
YOU *rise* **ABOVE** and *YOU* seize **THIS** **day**
ALL these *MOMENTS* pass and **are** *gone* in **a** *flash*
There's a **war** going *on* **IN your** *mind* and **YOUR** *soul*
In the *blink* of **an eye** *you've* played **YOUR** **ROLE**
Sinking down **INTO** *the* *ground*

And hoping FOR some release from the PAIN
Shine your light in a world full of hate
*the beacons ARE lit and THE hour **IS** LATE*
There 's A WAR going on and you're in the fray
YOU RISE ABOVE and YOU SEIZE this DAY
Shine your light in a WORLD full of HATE
the beacons are lit and the hour IS LATE
there's a war going on and you're in the fray
YOU rise above and YOU seize this day
ALL these moments pass and are GONE in a flash
There's a war GOING ON in your mind and your soul
IN THE blink of an EYE you've PLAYED your role
