

MATRIX

I fell **THROUGH** the veil
LIKE a **moth** to the FLAME
I **lied** to MYSELF
and I **NEVER** felt the SAME
i climb back UP again
and try to **hide** THE pain
defeat ain't NOTHING NEW
and I'm starting **TO** feel insane
What **about** my fear and WHAT about the rage?
What **about** the times ~~WHEN~~ I tried **to** turn the page?
what about THE freedom, the promise i was MADE?
am i the only one WHO feel I LOST my way?
I TRY to **reach** myself
BEFORE I get too close **TO** Hell
BEEN taking my red PILL
I'm READY to **SHATTER** this **jail** from WITHIN
LIES
spinning around in a DREAM and I see
NOTHING **is** real and **we're** never free
We're **all** in A place where we **USED** to be
Are we **part** of a PLAN OR JUST refugees?
I get **back** up AGAIN
And try to **hide** the PAIN
Defeat ain't **NOTHING** new
and **I'M** starting to **see** the game
WHAT about my FEAR and WHAT about the rage?
WHAT about the times when I tried to **TURN** the page?
what about THE freedom, the **PROMISE** I was made?
am I the only ONE WHO feel I lost **my** WAY?
I TRY to **reach** myself
before I **GET** **too** CLOSE to Hell
