

THE ONE

WRITTEN on *THE* stone
The **name** of **THE** unknown
He's **waiting** FOR someone
TO help **HIM** take his throne
Enchanting looks **DECEIVING**
Be careful **WHAT** you **say**
He'll **SOON** HAVE you believing
there is no **other** way
So **go** now
he'll SEE you **in** your **SLEEP**
YOU **shine** like a star
in **THE** light of the **SUN**
And **ALL** you CAN **do**
IS believe in the **One**
SO come **WITH** me
I'll make **you** see
Just what **IT** means TO be free
a leap of **FAITH**
you FEEL AWAKE
it's **the** fall we *all* have to take
crawling through *the* dirt
He *makes* **HIS** way back home
the flames of **HELL** ARE **ROARING**
his **screams** chill to the bone
From shadows **dark** and lonely
He *feels* **A** calming hand
HE knows HIS FATE IS SEALED now
Revenge **IS** all he plans
SO **GO** now
He'll see **you** **in** your sleep

*You shine **LIKE** A star*
*In **THE** light of **the** SUN*
*And **ALL** you **CAN** do*
*is believe **IN** the One*
*So come **with** ME*
*I'll make **YOU** see*
***JUST** WHAT it means **to be** free*
A** leap of faith **you** feel **AWAKE
*It's **the** **FALL** **we** all have to take*
*a **GENTLE** **voice** a **WHISPER***
PLEASE** FIND me where **I AM
***HE** turns to face the presence*
*a mirror of **himself***
enlightened**, **afraid** **and** **ashamed
*He figures **WHAT** he's **done***
*Shaking **cold** and lonely*
*He bows before **the** **ONE***
*You shine **like** a star*
*In **THE** **light** of **the** Sun*
*And all you **CAN** DO*
*Is believe **IN** **THE** one*
***SO** **COME** **WITH** ME*
***I'll** make YOU see*
***just** **WHAT** it MEANS to BE free*
a** leap of faith **you** feel **AWAKE
*IT'S **the** **FALL** **WE** all HAVE TO **take***
***you** SHINE like a star*
in** **the** **light** OF **the** **SUN
*And all you **CAN** do*
Is believe in the one
***So** come with ME*
*I'll **make** **you** see*
just** what it **MEANS** **to** be **free

A leap OF faith you feel awake
It's THE fall we ALL have to take
