

TOO CLOSE TO THE SUN

There'll *come a day* when I **will** *have to take my* **leave**
SO many things i *witnessed* I've seen *my* **world** *in* **NEED**
Out *of my* **hands** and **into YOURS** I leave *you* SUCH *A* **mess**
Be **brave**, *my love*, **LOOK** ABOVE *The sky* **shows** *tenderness*
HAVE *I* *taught you* **all** *i* *can?*
To *fend off the evil that roam* these *lands?*
Have I **SAID** *all* **I** **NEED** *to say?*
to fill *your heart so* **YOU'LL** *find* **your** *WAY?*
in the **eye** *of* **the** *storm*
Where you were born
You were placed in *MY* *arms*
Confused *and forlorn*
Then **YOUR EYES** *met* *mine*
And I *knew* *I was flying*
Too close to the Sun
You gave *me a* *meaning*
A PURPOSE of *LIFE*
i've BEEN **running** *beside YOU*
Through the *darkest of* *times*
i **WAS** *there with* **YOU** *then*
AND *I knew I* **was** **FLYING**
Too close **TO** *the sun*
When *life* *gets* **dark** *and* *lonely*
Remember to **TAKE** *a breath*
Things *may* **SEEM** **HARDER** *now*
BUT *time will lend A* **HAND**
a day MAY COME *where you*
will *have someone* **TO hold**
someone **YOU'LL** *love* **like** *I do*
who'll be **A part** *of your* **SOUL**

TAKE care and **be** your *best*
a *helping* hand for *all* the REST
a *light* in **A** *life* so dark
you've **HEALED** a broken heart
All these **wasted** years **I** lost
AND all the HOPES and DREAMS
Everything *i* EVER **MISSED**
And **ALL** the apologies
IN THE eye OF THE STORM
where you were *born*
You were **placed** in my *arms*
CONFUSED and forlorn
THEN *your* eyes **met** mine
AND *i* knew **I** *was* flying
Too close TO *THE* SUN
You gave ME **a** meaning
A purpose of life
i've **been** running beside you
Through *THE* darkest of *TIMES*
I WAS THERE *with* you *then*
And *i* knew **I** was flying
too close **to** *THE* sun
Remorse is eating **ME** alive
I'M *ON* my HANDS and **knees**
i LEAVE YOU *now*, MY **TIME** IS up
Somehow I've made *my* PEACE
In the eye OF the storm
Where you **WERE** *born*
You **WERE PLACED** IN my arms
CONFUSED AND *forlorn*
then *your* eyes **met** *mine*
AND I *knew* *i* WAS FLYING

too close to **the SUN**
in **THE** EYE of **THE** storm
Where you were **born**
You **WERE** placed in **my** arms
confused **and** forlorn
Then YOUR eyes **MET** MINE
And **i** **knew** I WAS flying
Too close to the Sun
you gave me a **MEANING**
a purpose of life
I've been **RUNNING** beside you
Through the darkest of times
I was there with you then
And I *knew* I **WAS** flying
too **CLOSE TO** the **Sun**
