

TECHNO DRUG

I *don't pretend to* understand
OR even *try to* **fathom** *how we can*
go *to* the lengths *that* *we can* go
it's **LIKE THE** *lights are* **ON BUT** *there's* no one *home*
In the **LAND of** *the* **blind,** *THE* **ONE-EYED'S** **KING**
guess if you look it's **deemed** **cheating**
but **DON'T** *you wish someone could* **call**
JUST WHAT IS **TRUE** **once** and **for** *all*
raise *your gaze and see* **THEIR** **lies**
THEY need you down to **capitalize**
you're lost **IN A world** *WHERE* *you dream* **YOURSELF** *away*
And you're never gonna **figure** **OUT**
LIFE was in front of you all of **THE** **time**
But *you missed it 'cause* *they filled you with* **DOUBT**
We **USED** *to be* **united** *IN* **hope**
But NOW *it* **SEEMS** *we need* **the** **techno-dope**
All for one AND one **FOR** *all*
we're *falling* **OUT** *and* **then** *we hit* **THE** *WALL*
Where *the* **hell** **HAVE** *all the* **PEOPLE** *gone?*
Can someone **tell me** **WHAT** *is going* **ON?**
Zombieland OR just another **day**
Somewhere down the **ROAD** **WE'LL** *have to* **pay**
We are **asleep** *AT THE* **WHEEL RIGHT** *NOW*
YEAH, *we're* **ALIVE** **BUT** *forgot* **SOMEHOW**
You're lost in a world **WHERE** *you dream* **YOURSELF AWAY**
AND *you're never* *gonna figure out*
LIFE **WAS** *in front of* *YOU* **ALL** *of the* **time**
BUT *you missed it 'cause* *they filled you* **with** **DOUBT**
Raise *your* **GAZE** *and see* *their* **lies**

They need **you** DOWN TO CAPITALIZE
WE'RE lost IN **a world** where **we** dream ourselves away
And we're never gonna **figure it OUT**
Life **was in front** of us all of **THE** time
but WE missed it 'cause **THEY** filled us with **doubt**
Raise **your GAZE** and see their **LIES**
They need **you** down to CAPITALIZE
we're LOST IN **a world** where **we DREAM** ourselves away
And we're **NEVER gonna** figure it out
LIFE was in front of **us all** of **THE** time
but **we MISSED** it 'cause they **FILLED us WITH** doubt
