

FABLE

I walked a mile To get somewhere
I finally arrived in YOUR atmosphere
I've **BEEN** running **AWAY from** ALL I KNOW
and **I'VE BEEN** searching for **a REASON to** let GO
all **THAT'S LEFT** is what I wear
IT'S EVERYTHING **I NEED**
Nothing's in MY WAY NO more
I'm flying WITH the wind
I took THE *long* way
TO there and back again
I KNEW one DAY
I'D see YOU through the RAIN
I **WALKED** A mile to get **somewhere**
I finally arrived in your atmosphere
All THAT left is **WHAT I** wear,
it's EVERYTHING I NEED
Nothing's IN **MY** way **no** more, **I'm** flying with **THE** wind
I took the *long* way
to there and back again
I knew ONE DAY
I'd see YOU through THE rain
Now I feel the **WARM embrace** of this place
A knight in blues with A **shoe** for HER **GRACE**
I TOOK THE *long* **WAY**
To THERE AND back again

i knew *one* **day**
I'D **see** *you* THROUGH *THE* RAIN

I took *the* **long** WAY
TO **there** AND **back** AGAIN

i knew **one** **day**
I'd *SEE* *you* through **the** RAIN
