

Where are you
ARE YOU lost *in* **TIME**
Just **PASSING** *through*
you CAME *around*
when I **WAS** down
you showed *me* life *through* sacrifice
I will **follow** ANYWHERE you go
run beside you *chasing* our echoes
FOR so long I **WAS** so **ALONE** *in* **my**
Empty space *where* i couldn't *find*
YOU
Let's *go and chase* ~~THE~~ days **of** youth
WHEN life **was** *more than* me or you
Every **TIME** i bare *my* chest
i fall on my sword I fail *YOUR* test
I **see** myself somewhere **OUT there**
Between *the* **DARK** and the light **WE** share
Who am I In **this** WORLD *of* MINE
I *feel* so lost
so undefined
I will follow anywhere you go
Run **BESIDE** you **CHASING** our echoes
For so long I was SO alone *in* my
empty space *WHERE* I couldn't find
YOU
LET'S go *and* **CHASE** *the* days *Of* youth
When life *was* *more than* me **OR** you
every *time* i bare **MY** chest
I FALL ON *my* SWORD I fail *your* **test**

i see MYSELF somewhere *out* there

Between *the* dark and *the* **light** we share

I ground MYSELF *still* **feel** *THE* same

Raise *MY* hands fall down again

You **pick** *me* up and **let me stand**

On pillars of *LOVE* I'll *never* land

I see myself *somewhere* *out* there

Between the dark and the light we SHARE

LET'S **go** and **chase** *the* days OF YOUTH

When *life* was more *than* *me* OR *you*

every **time** I *bare* my chest

i fall on *MY* sword *i* fail your test
